Welcome to Black Torque

Welcome to our monthly newsletter from the Black Trucks Group. Each month we will be sending out our latest specials on new trucks & agricultural equipment, parts specials and more. As you can see this month IVECO have launched the new Powerstar 7800, the pride of the IVECO fleet and a heavy duty workhorse that will suit many of our rural clients.

Our truck range covers market leading Isuzu, comfortable Iveco, reliable and classic Western Star, and fully imported MAN vehicles. We are also the premier Isuzu ute and MUX wagon dealer in regional Qld., and have interesting deals to offer. Call or email us if you are interested in updating, or expanding your fleet with the improved Isuzu DMax.

We also have a new parts catalogue out now. I think it is our best to date, with lots of unbeatable specials. I encourage you to compare these pricing against our competitors. I think you will be very pleased. Ask our parts interpreter's for more info.

Jason Black

**NEW PRODUCT LAUNCH
IVECO POWERSTAR 7800**

The Powerstar 7800 is the latest addition to the Powerstar range and is the flagship of the IVECO fleet. Offering an all American driveline, the 7800 is a heavy duty workhorse which can haul the biggest loads right up to 140 tonnes.

The 7800 offers the choice of:

- Cummins ISX or Signature 15 litre engines
- Power ratings of up to 600 hp and 2050 lb/ft of torque
- A 56 inch sleeper cab
- Industry leading wheel cut angle
- Rear IVECO cantilever suspension.

Ideal for:

- Roadtrains up to 140 tonnes
- Heavy haulage.
