

## IN THIS ISSUE...

### A message from Jason Black

Welcome to our 3rd edition of 'Black Torque', our newsletter keeping our readers up to date with both industry and local branch news.

It has been a busy year and as it draws closer to the end of the school year, we wish everyone a Merry Christmas, and a safe and happy New Year. For those driving, we wish you safe travels."

Before we finish the end of the year, the team at Black Truck Sales have decided to have a Christmas Demonstration Sale in both the Isuzu Ute and MUX range. All demonstrators are listed in the article and the sale will only last until the end of this month.

### NO.1 DEALER FOR ISUZU MUX

We are proud to announce that we are currently number one dealer in Australia for MUX. This is all due to staff commitment and to our loyal customers, both are truly appreciated.

**See us today for great deals on our range of D-MAX, MUX or both**

## INDUSTRY & BRANCH NEWS

### INDUSTRY NEWS

New truck log book laws have come into force for vehicles over 12 Tonne GVM. Previously, log book exemption was a 200km radius from your home base however, with other recent changes this has been reduced to a 100km radius. Legislation now requires you to record driving/work/rest in a work diary if you drive outside a radius of 100kms from your base.

### BRANCH NEWS

#### Toowoomba

It is with great pleasure to introduce a new member to our sales team, Tony Collins. Tony has been with the company since 2008 and comes with 4yrs sales experience and 2yrs service experience and has a broad knowledge of Isuzu and Iveco trucks. We wish Tony all the best in his new appointment.

#### Dalby

Congratulations and welcome to David McLaren as our Operation Manager in Dalby. David has a large repertoire of experience in the agricultural and transport service industry and will be overseeing both the Service and Parts departments.

Although not a new comer to the branch, our very much experienced salesperson Geoff Young will now be servicing the Toowoomba & Dalby area for sales with Massey Ferguson, Fendt, Croplands, Gason, Dieci and used trucks.

#### Moree

We would like to welcome to our service department Bryce Loder who is our Service Manager for the branch. Bryce has a vast amount of experience in the agricultural service industry and will be a great asset to the company.

## NEW TRUCK SPECIAL

### INTEREST SALE

We are currently running a 4.99 % interest rate T.A.P. for new **Western Star trucks** until the end of January. For more information on this fantastic rate, give either **Bill Hanton** in Toowoomba or **Rick Benham** in Roma, a call today.
